

How to Make a Glazing Appointment

Students can make a free appointment to glaze on-site by navigating to the Current Students section of our website and selecting “Sign Up to Glaze.” Following each term, the Pottery offers a glazing grace period for the first two weeks of the subsequent term.

1. You can view available glazing appointments in either a list or calendar view. If you opt for the calendar view, make sure to select “All” on the page, otherwise you will only see appointments for the individual day of the week selected.
